*Together, we can  
make a difference.*

Within our community, the number of innocent families and individuals losing their homes, becoming victims of domestic violence, and struggling to put their lives back together has become astounding, and the need to build additional transitional housing continues to rise. That's why HomeAid/Home Builders Care is presenting a fundraising charity golf event to generate funds and raise awareness for HomeAid/Home Builders Care.

HomeAid/Home Builders Care is a revolutionary non-profit partnership program that brings together home builders, community leaders and service providers to build dignified housing and restore hope where homeless families and individuals can rebuild their lives. The most needed component for continuing HomeAid/Home Builders Care's operations – other than committed builders and volunteers – is money: funds that could be used for general operating support for the Homeless Housing Development Program. The Dallas chapter is one in a network of 20 chapters in 14 states. More than 100,000 homeless men, women and children have been served in HomeAid's 170+ nationwide multi-unit homeless housing facilities. Currently, HomeAid/Home Builders Care projects include The Family Place, Nexus Recovery Center and Union Gospel Mission.
